COMMENTS ABOUT THE CONTENT:

The content of this session taught me that it's ok for angry child to display his anger in a healthy way.
All very helpful, taught me a lot. Patience is key, and strategies for newer parents.
Classes were a lot of fun, effective and informative.
Challenged me to rethink how I approach a child who is misbehaving.
Information very valuable in preventing crisis.
Great understanding of anger and fear.
Great info about how to handle various situations that are sure to arise.
Very interesting.
Helped very much with questions about preventing crisis.
Very interesting.
She has a great approach. Great content. I find that it will be helpful to me.
