COMMENTS ABOUT THE CONTENT:

Good Info

It's nice to know what possible issues adoptive children face.

Helped me understand more about what kids go through being fostered or adopted.

Very helpful and interesting due to having an adoptive brother.

Helpful for the adoptive folk

Very interesting; applies to our situation – infant domestic adoption.

Great class

It was helpful for us to figure ways to talk to children about their past and the issues surrounding adoption and permanency. Also how to deal with behavior.

Very informative. Made me think differently.

Very informative, great new information learned.

Very informative and knowledgeable.

Great information on adoptive children and understanding issues that may occur.

I learned very pertinent information about this content. Information that I will need to know if I ever decide to adopt or while I am fostering.

COMMENTS ABOUT THE TRAINER:

Good Info

Excellent as usual.

She was excellent.

Had good personal experience to share.

Excellent!

Great trainer.

The trainer is always delightful. She really knows what she is talking about.

Loved the information shared.

Very knowledgeable, friendly, makes you think of alternative options.

Very sensitive to issues and open with examples.

Very knowledgeable, fun, keeps things interesting and very informative.

It was especially helpful for CeCe to relay her own experience and adopted child to illustrate issues which may come up.

Love her. Made the material interesting. A lot of information and did it very professionally.

GENERAL COMMENTS – (ANYTHING ELSE YOU WOULD LIKE US TO KNOW)

Good info

Really enjoying this session.
