COMMENTS ABOUT THE CONTENT:

Gave a wonderful overview of work of social workers. Gain understanding of purpose of adoption/foster care
Very informative and a lot of info otherwise, the content was good.
Content was very informative. (3)
Trying to see things from workers or whoever side of view.
I enjoyed the training.
The scenarios were helpful.
Awareness of all parts of the team is certainly essential information
Interesting that the team is not subject to more formal communication guidelines to distribute work more efficiently. Just seems like ineffective communication.

COMMENTS ABOUT THE TRAINER:

Open for questions and concerns.
She did a great job.
Very knowledgeable (3)
Info was good.
Good – did a good job getting conversations going that were on topic. Bringing up issues.
Excellent.
