**COMMENTS ABOUT THE CONTENT:**

Extremely detailed. Great content  
Very informative. (4)  
Very informative and well planned out.  
Very informative re: development and help understanding risk factors and reasons for abuse  
Very informative. Very thought provoking materials.  
Very well prepared.  
Content was good.  
Very good info. Glad I get to hear things I didn't know.  
Good information in developmental delays.  
The content of this session was very knowledgeable. I learned pertinent info that would be helpful to my foster child as well as with my teen nephew I have custody of.  
The content was appropriate.  
It would be helpful to have copies of the handouts, even if they are just a class set that we don't keep and are reused.  
Good information, learned new information and processes required.

**COMMENTS ABOUT THE TRAINER:**

Excellent, very knowledgeable about the subject. Keeps class interesting and moving at a good pace.  
Interactive teaching method. Very cool  
Opened up my eyes to a lot of things. Wonderful.  
I felt the content of the session was very informative. Everything was well explained and well illustrated. I appreciated the class involvement interactive sessions.

**GENERAL COMMENTS – (ANYTHING ELSE YOU WOULD LIKE US TO KNOW)**

Keep the info coming.  
Really enjoying the class and learning a lot.  
More info would be nice on social emotional development as it can be an area severely affected by abuse.  
Great class  
The activities are fun  
CeCe is very interesting and very knowledgeable about the content. She kept the class interesting with lots of expression and illustration.  
Love her.  
Wonderful  
I thought the activity where you choose one of 4 scenarios was good.
